I am not sure if you have seen this girl on any talk shows, but this e-mail is pretty powerful.

This young lady has been on Oprah and what a loving, forgiving young woman she is! An amazing story of what she has suffered and will bear the rest of her life. Please share this with your friends and especially your teenagers who are driving. **

The car in which Jacqueline traveled. She was hit by another car that was driven by a 17-year old male student on his way home after drinking a couple of hard packs with his friends. This was in December 1999.

<[http://groups.yahoo.com/group/fun and fun only](http://groups.yahoo.com/group/fun_and_fun_only)><[http://groups.yahoo.com/group/fun and fun only](http://groups.yahoo.com/group/fun_and_fun_only)>

Jacqueline was caught in the burning car and her body was heavily burnt during around 45 seconds.

After the accident Jacqueline has needed over 40 operations.

Without a left eyelid Jacquie needs eye drops to keep her vision.

Now 20 years old, he cannot forgive himself for driving drunk on that night three years ago.

He's aware of devastating Jacqueline Saburidos life.

Not everyone who gets hit with a car dies. This picture was taken 4 years after the accident and the doctors are still working on Jacqueline, whose body was covered with 60% severe burns.

<[http://groups.yahoo.com/group/fun and fun only](http://groups.yahoo.com/group/fun_and_fun_only)><[http://groups.yahoo.com/group/fun and fun only](http://groups.yahoo.com/group/fun_and_fun_only)>

Let's make as many people as we can aware of the consequences of drinking & driving.
